### Men's Steak Supper

We hope to see you on May 18th for our men's steak supper. What a great time for the men of our church to fellowship with one another over a delicious meal! Just as Jesus shared a meal to build a bond with His disciples, we too, are following in His footsteps.

**Dinner starts at 6:30 pm**, but the fellowship begins in the kitchen and around the grill about an hour beforehand. Please sign up to let us know if you can join us. *Proverbs 27:17*

We are so excited about the recent public professions of faith in Christ through baptism! Liam Stone is the son of Hannah Stone and the grandson of Chuck and Joy West. Ronan McDonnell is the son of Rick and Bethany McDonnell and the grandson of Pastor Tim and Deanne Phillips.

### Kids4Truth Update

During the past few weeks, we've been learning about the CATASTROPHE of the flood. Last week during class, our kids built their own boats, but unlike Noah, they weren't given any instructions. Using only a sheet of aluminum foil, their goal was to make a boat that will float. Once they saw it float, they tested it by seeing how many glass gems it could hold and still stay afloat. Our kids learned that God may not give us building plans, like Noah, but He gives us other commands, like obeying our parents and loving our neighbor.

### Ice Cream Social

Let's all scream for ice cream and celebrate the end of another school year and the beginning of summer break on **May 24th at 6:00 pm!** Come socialize and encourage our kids and youth for all their academic and athletic accomplishments of all our kids and youth. A cool treat is a great way to kick off the summer break! There will not be a meal as the last meal is May 17th.

## Wednesday Fellowships Update

We've had a great winter and spring of meal fellowships every Wednesday, but they are coming to a close for the summer. **Our last Wednesday meal until fall will be Wednesday, May 17th.** A huge thank you to all the volunteers who make this possible every week!

## Choir Notes

April has passed, and May is here, bringing us two very special days of remembrance and celebration: Mother's Day and Memorial Day. As always, music is important for both of these celebrations. Keeping these special days in mind, the choir is planning music to honor our mothers on May 14th, and on May 28th, our music theme will honor and pay tribute to our country and the men and women who have served in the military. Please let me know if there are any hymns or special music that you would like included in any of our Sunday morning services. *Happy Mother's Day!*
